Rhythm Nation Dance

September 2026

HI EVERYONE,

What an amazing start to the 2026/27 year it has been! There's already such a fantastic energy in all our classes, and we are so excited for what this year has in store for everyone!

We have been busy at RN adding new classes to our timetable, performing at community events, and planning a fun dance year for all!

THANK YOU

*A huge thank you goes out to our wonderful **parents** for their constant support, to our **new dancers** for joining our dance family, and to our **returning dancers** for their continued hard work and dedication.*
